

The Commercial Vehicle Group (CVGI) is a global leader in commercial vehicle system solutions for the heavy-duty truck, construction, agricultural, industrial, marine, and specialty industries. We take pride in building products the same way that we've built our company – with commitment, strength and focused direction.

We're successful because we are committed to continuous improvement. We aren't afraid to take chances with modern processes that may improve the tried and true. We are immersed in technology in every market we serve. We're growing, penetrating emerging markets, and constantly in pursuit of innovation that will improve, shape, and define the future of the global commercial vehicle industry.

We are currently seeking an experienced **IT Auditor** at our corporate headquarters in New Albany, Ohio.

In this role, the incumbent will:

- Utilizes a risk-based approach to planning and performing audits of information systems, platforms, and operating procedures as well as SOX IT procedures in line with established corporate and professional standards for efficiency, accuracy, and security.
- Evaluates IT infrastructure in terms of risk to the organization and recommend controls to mitigate loss.
- Determines and recommends improvements in current risk management controls and implementation of system changes or upgrades.
- Ensure quality and accuracy in concise reporting and consistency across audits.
- Provide frequent audit status updates and present audited results to the business stakeholders. Understand the importance of partnership with the business.

Requirements:

- Bachelor's degree in Management Information Systems, Accounting, Finance, or equivalent required.
- Working towards CISA professional certification; CISM and CISSP desirable.
- Minimum 4-6 years of experience as an information systems auditor.
- Experience with business processes (accounting and operations) and process improvements in a global organization.
- Experience with the Sarbanes-Oxley (SOX) Act.
- Experience with Operating Systems, Databases, Networks and Data Centers.
- Experience with integrated ERP systems including SAP, Oracle, etc.; Plex Cloud desirable.
- Excellent oral and written communication skills, including presentations to management.

Sponsorship is not available for this position at this time.

Our eligible associates enjoy competitive wages and benefit package including comprehensive medical, dental, vision, 401(k) plan, company paid life insurance, paid holiday and vacation time off.

Resumes may be submitted as directed below. Include the job title in all submissions.
