

The Commercial Vehicle Group (CVGI) is a global leader in commercial vehicle system solutions for the heavy-duty truck, construction, agricultural, industrial, marine, and specialty industries. We take pride in building products the same way that we've built our company – with commitment, strength and focused direction.

We're successful because we are committed to continuous improvement. We aren't afraid to take chances with modern processes that may improve the tried and true. We are immersed in technology in every market we serve. We're growing, penetrating emerging markets, and constantly in pursuit of innovation that will improve, shape, and define the future of the global commercial vehicle industry.

We are currently seeking an experienced **Pricing Analyst** at our corporate headquarters in New Albany, Ohio.

In this role, the incumbent will:

- Responsible for all activities involved with sales contracts and customer price files, market research, accounts receivables, and margin analysis to maintain accuracy, keep current and assure alignment with customer records including: document, file, analyze, and provide updated pricing files in activities related to cost recovery.
- Prepare weekly/monthly reports – product margin analysis, margin enhancement opportunities, AR (tooling/production) aging reports, sales goals, and plant performance.
- Plan all actions and data acquisition activities to comply with price change opportunities that occur periodically throughout the year.
- Synthesize complex or diverse information; Collects and researches data; Uses intuition and experience to complement data.
- Support all auditing activity required for SOX compliance.
- Act as a conduit with Accounts Receivable and Operations to assure that customer debits and short pays relative to pricing discrepancies are resolved in an expeditious manner.
- Prepare renewal contract price files for submission to the customer from sales.
- Pricing data management activity to occur across all major OEM customers in the Global Truck & Bus product lines.
- Participate on special teams and complete other duties as assigned.

Requirements:

- High School degree or equivalent; college degree preferred.
- Strong written, verbal/interpersonal communication and presentation skills; able to properly communicate across multiple levels of the organization.
- Excellent organizational and time management skills attention to detail, and work efficiency.
- Ability to be flexible, adhere to tight deadlines, and prioritize work in order to support concurrent objectives and goals.
- Team player able to work well in a group and take direction as well as an individual contributor able to work autonomously in a fast pace environment.
- Able to develop proficiency with the business unit's ERP system; Baan exp. preferred; fluent with MS Office including advanced Excel skills.

Sponsorship is not available for this position at this time.

Our eligible associates enjoy competitive wages and benefit package including comprehensive medical, dental, vision, 401(k) plan, company paid life insurance, paid holiday and vacation time off.

Resumes may be submitted as directed below. Include the job title in all submissions.
